

Pediatric Urodynamics

2-Day Course

UROLOGY & UROGYNECOLOGY

Urodynamics and Critical Decision Making for the Complex Bladder

Friday, November 18 – Saturday, November 19, 2022
The Renaissance | Las Vegas, NV

Join our faculty for a 2-day course designed to provide a blended learning experience (hands-on and didactic) to enhance proficiency in assessment and management of children with voiding, urinary storage and continence abnormalities, as well as associated gastrointestinal dysfunction.

Target Audience: Pediatric Urology Fellows and Junior Faculty

Location: Las Vegas, Nevada

Cost: \$500 per person (normally a \$650 value)
